Time to make some more stash cards! This means we won't finish them with stamping sentiments, embellishing, etc.; rather, we'll get them ready to have in our stash, and then add the sentiments and other finishing touches when they are needed.

Here's what you'll need:

*1 piece of Designer Series Paper – 12" by 12"

(or, four pieces of 6x6" DSP)

*6 standard cardbases – 8.5 x 5.5", scored in the centre

*Coloured cardstock:

6 pieces of 2.25 x 3.25

6 pieces of 2.25 x 4.25

6 pieces of 2.25 x 5.25

Bring your trimmer and adhesive to our Zoom meeting.
